## YOU'RE INVITED TO AN OPEN HOUSE FOR THE 2022 STREET AND UTILITY IMPROVEMENTS-REBID VERNON CENTER, MINNESOTA

The 2022 Street and Utility Improvements-Rebid will be discussed at a neighborhood meeting on Wednesday, September 20, 2023, from 6:00 p.m. to 7:30 p.m. in the Vernon Center Fire Department meeting room, 200 Main Street West. This will be an "Open House", so come when you can and stay as long as you'd like. This open house is intended to give residents and the public an opportunity to meet with city staff and the engineer's representative and look over the construction plans. It will also provide an opportunity to review the contractor's schedule.

The project has been awarded to Holtmeier Construction, Inc out of Mankato, MN, with work anticipated to start the week of September 11th. They have provided a preliminary schedule with six different project phases that will be reviewed at the meeting. Though not all streets will be affected, the Project is anticipated to affect most residents in town as road closures and temporary water shutdowns occur. We encourage all residents to sign up for the weekly Project Update letters that will be emailed and posted on the City's website. They will also be posted to the Post Office and City Hall bulletin boards. To be included on upcoming Project Updates, please email Julie Brinkman at [jbrinkman@sehinc.com](mailto:jbrinkman@sehinc.com).

If you cannot attend this meeting or would like information concerning the proposed project, you can contact Chris Knutson of Short Elliott Hendrickson Inc. (SEH®) at 507.237.8383 or [cknutson@sehinc.com](mailto:cknutson@sehinc.com).to make the engineer aware of any special problems the project could address.

**WE HOPE TO SEE YOU AT THE OPEN HOUSE!**
